I have checked SDMS and Expresslink, and I do not see where these documents have been put into the database.

Have we heard back from Gary about the documents that he stated which needed to be in-filed?

Can we find out when Gary is going to in-file the documents he has for Cedar Chemical? I have checked ExpressLink and I don't see the documents in there.

Thanks, Gary.

You need to submit these to Express Link with *FOIA prioirity* processing.

If you need some assistance, please send Nancy Yarberry a request. Thanks,

David:

This is all I could find that may or may not already be in the official record. I assume an attorney will review these prior to sending out. Some of these not documents that I made as records such as: List of Priorities, Priorities, Uncompleted Powerpoint,
